Dear Noonan Parents,

We feel that every student at our Academy should have the opportunity to play on any of our sports teams; we do not cut students who want to go out for a sport. We feel the middle school years are a time to explore and learn new things.

That being said, we also have to concern ourselves with the safety of our novice players when we place them on the field or court with competitive teams whose players have been playing that sport and honing their skills for many years.

In light of our no cut policy, less experienced players will play in every game however their playing time during games will be limited to ensure the safety of all team members.

If your child would like to join the team, knowing this up front, we would love to have him/her sign-up for the team.

Please sign this letter and return it to the office before the first game.

Thank you for giving us to opportunity to help every student be the best they can be,

Nancy Sain, Principal
