

Noonan Elementary Academy

Pre-K News

March 1st-5th

Theme: Transportation

Introductions: Octagon, trapezoid, Story #10 (I Can)

Review: Letters A-Z, all colors, numbers 1-20

Manners: Review all

Expressive Vocabulary: Review all

Proverb: *“Practice makes perfect.”*

LANGUAGE:

Mrs. Piper continues to review all the letters of the alphabet and their phonetic sounds. We are enjoying the second week of the theme on transportation. Everyone enjoyed a fun singing activity. The children held up the different colors in a traffic light. During an “oral” language activity, the children were able to say what kind of transportation they would like to travel in and to where. There were some very interesting replies!

CRAFT AND WRITING:

This week, the children traced their names, an octagon, and a trapezoid. The children worked on a shape matching cutting and gluing paper. They also painted a picture using their water colors. Everyone did an awesome job! They are hanging up on our white board. Also, they participated in the Book Fair Coloring Contest. Those papers will be up for everyone to see at the Book Fair.

CONCEPT:

Miss Callanan reviewed the days of the week, the months of the year, and counting. We are experimenting to see if we can grow a bean in a zip loc bag. Miss Callanan hung them up on the window so that they can get plenty of sunlight. Since it has been so cloudy lately there hasn't been much happening. We will continue to check on them. The children also enjoyed a cool shamrock review game.

MOTOR:

Miss Callanan had the children doing jumping jacks, push ups, and knee bends. Everyone thought it was so much fun to pretend to be cars, trucks, or other forms of transportation while following a path activity. We ended the week stretching and playing a “follow the directions” game.

UPCOMING EVENTS AND REMINDERS

Next Week’s Theme: Mammals

Show-n-Tell: Friday
